### How does Gift Aid work?

Using Gift Aid means that for every pound you give, we get an extra 25 pence from the Inland Revenue, helping your donation go further.

So, £100 can be turned into £125 just so long as donations are made through Gift Aid.

### The benefits of Gift Aid

- No extra cost to you
   Yet your giving increases significantly.
- No need for separate forms

By signing the **standard, "enduring" declaration** for multiple donations you can avoid the need to complete a new form each time you give, but you have the option to restrict to a Single donation if you need to.

## What if my circumstances change?

If you cease paying UK income tax or capital gains tax let us know and we will cancel your declaration from the date of receipt of your instructions. Please also notify us in the event of a change of name or address.

### Methods of payment

- Cash/Cheque payments: We must be able to prove to the Revenue the receipt of the donations from each individual donor. To do this we make use of a confidential numbered envelope system which is uniquely referenced to you.- Please ask your Finance Officer for a numbered set
- Standing order: If you give a regular amount why not set up a standing order? This should quote the unique reference issued to you. Please complete your own bank details, sign and return this to your Finance Officer who will complete the Church/Dept. bank details and reference before sending this to your bank.
